## RED LIGHT PROTEST.

Westminster Church on Record Against New Location.  
A vigorous protest from the congregation of the Westminster Presbyterian church against the establishment of a "red light" district on the West side has been filed with the city recorder for presentation to the council. It is signed by the pastor, Rev. Charles Curtis McIntire, and J. W. Phillips and J. S. Davis, representing the church. It is stated that the church is only a short distance from the site of the new district, and it will be detrimental to its interests, as well as to the interests of the adjoining community, to allow the denizens of the underworld to locate there.
